PIVOT TO REMOTE LEARNING FAMILY QUICK GUIDE

Learning Continues Wherever We Are!

Together
We Can! ♥

If P.S. 58X pivots to remote learning, please follow the steps below to help your child stay connected, engaged, and ready to learn.

1 STAY INFORMED

Important announcements, updates, and remote-learning guidance will be shared through:

**P.S. 58X
School Website**
CS58x.com

ClassDojo
Messages and updates for families.

Please check both regularly for important school updates.

2 LOG IN TO GOOGLE CLASSROOM

Google Classroom is your child's primary learning platform during remote instruction.

Google Classroom

Each morning, students should log in to:

View their daily schedule

Access synchronous / live instruction

Find asynchronous / independent activities

Access assignments, resources, and teacher directions

WHAT DOES THIS MEAN?

SYNCHRONOUS = Students participate LIVE with their teacher.

ASYNCHRONOUS = Students complete assigned learning activities independently.

3 BE READY TO LEARN

Students are expected to:

Log in and be ready for their school day

Follow the daily schedule in Google Classroom

Attend scheduled live instruction

Complete independent assignments and activities

Check Google Classroom throughout the day

Contact their teacher when they need academic support

YOU GOT THIS! ♥

NEED HELP? WE'RE HERE FOR YOU!

For clerical, administrative, or other questions, please contact:

Office / Clerical Questions
Ms. Sandra Nazario
(Secretary)

(914) 510-2422

TEXT ONLY

during remote learning.
