# Welcome from the Principal

September 2026

Dear P.S. 58 Families,

Welcome to the 2026–2027 school year!

A new school year brings new opportunities for our children to learn, grow, and discover just how much they are capable of achieving.

This year, our theme is:

## ***JUST DO THE WORK.***

These four words remind us that success comes from effort, persistence, responsibility, and a commitment to doing our best—even when the work is challenging.

This year also begins our journey across the Bridge to Brilliance.

A bridge connects where we are to where we aspire to be. At P.S. 58, our goal is to help every child cross that bridge by developing the knowledge, confidence, resilience, and independence they need to succeed.

Our teachers will provide rigorous instruction, meaningful support, and opportunities for students to think, reason, discuss, problem-solve, and take greater responsibility for their learning. When students need additional support, we will provide it; when they are ready for greater challenges, we will challenge them.

## **Families Are an Important Part of the Bridge**

We need your partnership. Please help us by ensuring your child attends school every day, arrives on time, completes assignments, reads and practices at home, and comes prepared to learn. Talk with your child about what they are learning and stay connected with their teachers.

When school, home, and students work together, we create the conditions for every child to succeed.

Welcome to another exciting year at P.S. 58 and the beginning of our journey across the Bridge to Brilliance.

Let's build the bridge. Let's inspire brilliance. And above all... **JUST DO THE WORK.**

With pride and partnership,

Dr. LaRhonda Civers  
Principal

# School Mission and Values

## Our Vision

At P.S. 58X Community School, we envision a future where every student is inspired, empowered, and prepared to succeed. We strive to cultivate a community of lifelong learners who are academically strong, socially responsible, and emotionally resilient. In collaboration with families and the broader community, we aim to create a positive, inclusive environment where all students can reach their full potential and confidently navigate the opportunities and challenges of tomorrow's world.

## Our Mission

At P.S. 58X Community School, we are committed to the pursuit of excellence by providing a rigorous, supportive, and inclusive learning environment. We create scholars by empowering every student to grow academically, socially, and emotionally, ensuring they are college- and career-ready. Through strong partnerships with families and the community, we nurture each child's potential, ensuring that we are shaping futures, while equipping them with the skills and confidence to thrive in an ever-evolving world.

## Equity Statement

Community School District 9 envisions a district that values and [affirms diverse](#) racial, cultural, religious, linguistic, disability and gendered [identities](#), allowing schools to cultivate a [joy for learning](#) and a love for all. We are ethically committed to nurturing our community with [critical love](#) and building [historical literacies](#) to ensure that all students make meaning of their lives, become critically literate citizens and advocate against oppressive systems that have historically disenfranchised them. In this spirit, we will dismantle inequities in order to restructure schools into learning environments where all students thrive.

## EVERY DAY, EVERY STUDENT ATTENDANCE PLAN

### PS 058X Community School

Welcome to the 2026-2027 School Year!

We are excited to share our school's Every Student, Every Day Attendance Policy and Plan. This policy and plan will hopefully provide you with the information and guidance you need to help you help your child.

### OUR SCHOOL COMMUNITY'S ATTENDANCE GOAL

Attendance matters. Missing a day of school means missing hours of instructional time. Research shows that students who attend regularly achieve greater success in school and in life. This continues to be true. Our school's goal for attendance is every child attending school every day or at least **95%** of the school year.

### ATTENDANCE TAKING

Our School will take Attendance:

**Each morning at 8:10 am. Any student that is not in attendance, in their classroom ready to learn, by 8:10 am will be marked absent. Students that arrive in their classrooms after 8:10 am will be marked late.**

| Modality                                                                                                                                                                                                                                                                                                                                                                                                                                               | In-person                                                                                                                                                                                                                                                                           | Remote                                                                                                                                                                                                                                     |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Present</b>                                                                                                                                                                                                                                                                                                                                                                                                                                         | A student that is physically present in the classroom/school learning environment for instruction during the scheduled school day.                                                                                                                                                  | A student that is virtually present for synchronous <sup>1</sup> or asynchronous <sup>2</sup> instruction. While all efforts should be made to deliver synchronous instruction to students, there may be cases where this is not possible. |
| <b>Absent</b>                                                                                                                                                                                                                                                                                                                                                                                                                                          | A student that is not physically present in the classroom school learning environment for instruction during the scheduled school day.<br>The student is in the school building but not attending any classes or not meeting with a guidance counselor or other licensed pedagogue. | Not virtually present for synchronous or asynchronous instruction.                                                                                                                                                                         |
| <sup>1</sup> Synchronous instruction is defined as live interaction between the teacher and student(s) each day at a scheduled time, communicated in advance to parents and students. For more information, please contact the school.<br><sup>2</sup> Asynchronous learning refers to instruction and learning opportunities that do not feature students and teachers interacting at the same time. For more information, please contact the school. |                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                            |

## COMMUNICATION WITH FAMILIES

Our school uses the following methods to communicate with families about attendance:

**Phone calls, DOJO messages, texts, WhatsApp, and parent letters.**

It is very important for the school to have families' up-to-date contact information. To make sure we can reach you, please alert us of any changes to your address or phone number by:

**Calling the main office immediately upon the change. (718) 583-6866**

**Or;**

**Completing this short Google Form: <https://forms.gle/GLjRqLNPuSio4eGDA>**

## ABSENCES

If you know your child is going to miss school on a certain day or will be missing school for an extended period, please notify the school in advance by:

**Contacting the main office or informing your family's attendance person if you have been assigned one.**

If your child is absent, we will follow up that day by making a positive phone call, text, or email home. This follow-up helps us to ensure that your child is safe, healthy and that your family has what they need to help your child overcome the barriers to attending school.

While every single absence is equal to missed instructional time and counts toward "chronic absenteeism", we follow the NYCPS policy to mark absences as excused and unexcused. Please provide us with information on the reason for your child's absence. Here is what you need to know regarding excused and unexcused absences:

- Excused Absence:  
**An excused absence may be excused for reasons including illness, injury, family emergency, religious observation, or pre-arranged appointments that can not occur during hours outside of the school day.**
- Unexcused Absence:  
**An unexcused absence is when too little to no information is provided when a student is marked absent for the day.**

## LATENESS

Even if a student is late, they are still marked as present. If you know your child is going to be late on a certain day—whether in remote or in-person—please:

### Contact the main office.

Just as with absences, we flag lateness as excused and unexcused. Here is what you need to know regarding excused and unexcused lateness:

- Excused Lateness:

Lateness may be considered excused for the same reasons provided for absence e.g. Illness/injury, problems with accessing technology or getting online, religious observation, family emergency, pre-arranged appointments, or school or bus delays or documented MTA delays.

- Unexcused Lateness:

Unexcused lateness is when a student is not in their classroom ready to learn for their morning meeting by 8:10 a.m. and have not provided reasons for lateness.

## LEAVING EARLY

This section explains our school's policy for a student's early departure from the school day. If your child is going to leave early on a certain day, please notify the school by:

### Communicating with your child's classroom teacher and Ms. Nazario in the main office.

- Early Departure:

Leaving school early must be arranged in advance. A student can be dismissed from school early to the family or a person who has been identified on the Emergency Contact Form. Anyone picking up a student must come to the office and provide a photo ID. If students need to be picked up early please pick them up before 2:00 pm. This is to ensure the safety of all our students as our staff begins getting ready for dismissal at 2:00 pm.

## ATTENDANCE AND MAKE-UP WORK

If a child is absent or late, grades, coursework, or exams could be affected. Here is what you need to know regarding our grading policies and how we support our students with make-up work:

Lateness to class may result in a lower class average due to the loss of instructional time in activities such as classroom participation, examinations (Quizzes/full period exams), discussion, group work, etc. Students are not required to make up the exact hours of missed instructional time. If students master course content and satisfactorily meet expectations outlined, they will receive credit.

## Every Student, Every Day Practices

This section shares information regarding our schools' multi-tiered support plan. It is our hope that through these supports your children have what they need to attend school regularly.

### COMMUNICATION

Every day a student is absent we will make a positive phone call home to check- in and make sure the student and family are healthy. During parent-teacher conferences, we will share information regarding your child's attendance and discuss how we as a school community can be most helpful in creating the conditions for your child to attend regularly and thrive in school.

**If a student is absent more than 3 days before November 29, 2026, their caretakers will be asked to attend a meeting with Principal Civers to discuss the barriers to attendance and create a plan for the remainder of the year. If a student is absent more than 5 days before January 31, 2025, caretakers will be asked to attend a meeting with Principal Civers to discuss the barriers to attendance and create a plan for the remainder of the year. If a student is absent more than 7 days before April 30, 2026, caretakers will be asked to attend a meeting with Principal Civers to discuss the barriers to attendance and create a plan for the remainder of the year.**

### PERSONALIZED SUPPORTS

Students who require personalized support are provided Family Success Partners. A Family Success Partner is a caring adult who serves as a mentor and as an advocate for students, as well as a partner and advocate for their families. Students will be linked to enrichment activities and academic support if needed! We will work with you and your child to identify the root cause of any absences and how we can prevent them moving forward. We will leverage our amazing staff to create a personalized enrichment and support plan for each student so that they feel a sense of belonging and excitement about attending school. Most importantly, we will also recognize and celebrate successes with you.

### CELEBRATIONS

We are dedicated to making sure every child has the positive support they need to not only attend school every day but to succeed. We recognize and celebrate students' attendance improvement, no matter how small. When a student improves their attendance, we recognize and celebrate their success with monthly attendance awards at our Monday Morning Town Halls as well as awarding them PBIS points in Class Dojo to use at our Lions School Store!

### PARTNERING WITH COMMUNITIES

Our school partners with various local organizations to support our families and students inside and outside of school.

[snazariosoto@schools.nyc.gov](mailto:snazariosoto@schools.nyc.gov)

## Section 2.

### Uniform Policy

**We are a school community working collaboratively to ensure that our students are ready for college and beyond! With that enthusiasm we are excited to share our uniform policy.**

Our uniform policy is an outward reflection of the school's identity and the standards we collectively expect. Additionally, uniforms provide students with a sense of pride and purpose in their school. Students are part of an academic team. Students must come to school wearing the school uniform.

#### **The Uniform Policy**

White polo or white t-shirt with the school logo  
Navy Pants, Navy sweatpants (gym days)

According to the [Chancellor's Regulation](#): "The mandatory uniform policy is intended to promote a more effective learning climate; foster school unity and pride; improve scholar performance; foster self-esteem; eliminate label competition; simplify dressing and minimize costs to parents, teach children appropriate dress and decorum in their "work"; and help improve scholar conduct and discipline." Please be advised that as a parent, you have the right to obtain an exemption to this policy. In order to secure an exemption to this policy, you will write a letter requesting an exemption. Then you will be given Attachment A-665 of the [Chancellor's Regulations](#) to complete and return to your child's teacher.

As per [Chancellor's Regulations](#), suggested disciplinary action will be imposed for non-compliance of this school policy. Please read the attached Chancellor's Regulations before signing the Student and Family Attestation Form at the end of this handbook.

- I agree that my child must wear the school uniform every day; no exceptions, no excuses. We recommend having five (5) shirts to help with issues surrounding laundry.
- I agree that my child will not participate in school-wide celebratory events, assemblies and trips, if s/he does not have on his/her uniform attire.
- I agree that I will be called when my child is not in uniform to bring the appropriate attire to school. Arrangements must be made.
- Name brand shirts are not permitted. We want our students to reflect an academic team and do not want distinctions made by expensive name brand clothing.
- I agree that the students **will not** be permitted to **wear hats, hoods from sweat shirts, or caps.**

Thank you for your continued support.

## Section 3.

### Curriculum

PS 58X is dedicated to providing its students with a rigorous academic curriculum that is experiential and addresses the individual needs of the students. The curriculum is aligned to the Common Core State Standards. Developmentally appropriate; the curriculum emphasizes mastery of reading, writing, math, science and social studies. Movement, the arts, and physical education are an integral part of the curriculum. Basic skills are linked to analytical thinking and creative problem-solving through hands-on learning and real-world experiences. Instruction is integrated among subjects. Technology is incorporated in the curriculum to enhance instruction and learning.

**Reading, Writing, Phonics and Language Arts:** Foundational to every scholar's success is the ability to read, write and communicate effectively. The English Language Arts (ELA) curriculum is designed to produce highly literate students who are proficient readers and strong writers. Students who master the ELA curriculum are prepared to read for deep understanding and to effectively communicate ideas and information through writing and speaking. There is a high emphasis on non-fiction reading and writing from grades K through 5 with the HMH Into Reading units. They are also taught to listen actively and critically to generate new ideas based on what they encounter both inside and outside the classroom. Students in need of reading intervention receive intensive reading instruction from assistant teachers utilizing the Heggerty and Foundations Literacy Intervention programs. Early childhood also receive literacy instruction that is supported by PAF Interlexia and UFLI..

**Math:** To provide students with the mathematical skills they will need in everyday life as well as in the rigors of high school and post-high school mathematics using the Envisions Curriculum in grades K-5. PS 58X has developed a strong mathematics curriculum that emphasizes communicating, computational and procedural skills, making connections, reasoning and proofing, problem solving, and using representations. Students learn to represent and communicate ideas through graphs, mathematical terms, models, signs, symbols, and writing. Students learn mathematics through mathematical practices based on the Next Generation Standards.

**Science:** PS 58X encourages students to participate actively in scientific inquiry while developing scientific literacy through project-based learning with the Amplify Science curriculum..

**Social Studies:** PS 58X encourages students to participate actively in critical historical skills and the engage with key historical and social topics across all curricula, including Passport to Social Studies, Black Studies Curriculum, and Civics for All.

**Health and Physical Education:** The physical education curriculum focuses not only on the development of basic physical skills but also on nutrition, body awareness and safety in order to develop life-long physical fitness skills and healthy lifestyles. Physical Education is also integrated into other core subjects taught at PS 58X.

### 4.1 Suggested Nightly Reading Time Guidelines:

The following are the suggested guidelines for daily reading at home. We need your support to encourage a love for reading through you reading with them, for them, and in front of them. The guidelines below are suggested reading times, but it is strongly recommended that your child reads for at least 20 - 30 minutes a day:

- Grades K-2      20 to 30 minutes
- Grades 3-5      30 to 60 minutes
- Grades 6-8      60 to 90 minutes

#### Reading for at least 20 Minutes:

20 minutes per day = 3,600 minutes per school year

20 minutes per day = 1,800,000 words per year

On standardized tests they will likely score better than 90% of their peers.

We encourage you to support your child(ren) practice and spend additional time reading independently and practicing multiplication, division, addition and subtraction math facts on an ongoing basis.

## Section 4.

### Family Engagement

PS 58X has a long-standing reputation as a family school. As a community school, we provide families with service referrals and wraparound services as well as adult education workshops. Our Family Engagement Calendar is updated on the school website and Instagram page (@ps58x), and alerts are sent home via email and text. Contact our Community School Director, Ms. Ashley Bakker, for more information.

#### 4.1 Parental Empowerment

PS 58X has adopted a policy addressing the importance of parental involvement. In addition to existing policies and guidelines, PS 58X also recognizes the need for a policy that meets the requirements under Section 1118 of the Elementary and Secondary Education Act, as amended by the No Child Left Behind Act of 2001 (P.L. 107-110)

Parents of students are vital contributors to the education of their children. Accordingly, they are encouraged to participate in the development and structure of Title 1 activities and to be kept informed about programs in which their children belong. Moreover, they are to be kept informed of the academic progress their children make as a result of participation in these programs. Two-way communication between the school and home provides a sound base for a good partnership to ensure an effective educational program for all students.

#### **This Parent Empowerment Policy is fulfilled as follows:**

1. Parents are notified in writing of their child's participation in school enrichment and remediation programs.
2. Early in the school year, parents are invited to meet the staff, learn more about school programs, ask questions and give suggestions. They learn how progress is measured and how they will receive feedback about their child's progress. Parents are also invited to attend parent-teacher conferences to discuss their child's individual needs and progress.
3. Efforts are made to assist parents in understanding federal and state academic expectations, state content standards, scholar performance standards, the school curriculum, and school expectations about assessment results.
4. Parents are encouraged to visit the school for volunteer training and information, actively volunteer in the life of the school, and attend meetings and events.
5. Efforts are made to accommodate parents with disabilities and with varying work schedules. Efforts are also made to provide information to parents in the language used at home (i.e. home language survey).

The **Parent-Teacher's Association ("PTA")** is the school's parent /guardian and staff organization and abides by NYC Chancellor's Regulations A-660. Its goal is to build relationships between parents, guardians, teachers and the community. The PA holds regular meetings every month and has a number of committees which parents/guardians and staff may join. Regularly scheduled meetings are posted on the school's website and in the monthly calendar. Contact our Parent Coordinator (I.A.), Mr. Axel Taveras at [ataveras@schools.nyc.gov](mailto:ataveras@schools.nyc.gov) if you are interested in learning more.

## 4.2 Visitor and Volunteer Guidelines

Parent involvement in the formal and informal education of students is important. Parents are expected to review and honor the following rules while volunteering virtually for the school. Violation of these rules endangers the safety of students and their right to an education. Those not abiding by these rules may be barred from the building.

### General

1. Potential volunteers are required to complete the appropriate level of background check before a volunteer assignment begins.
2. All volunteers must check in with the appropriate staff members. Volunteers must be accompanied by a PS 58X staff member. Volunteers may also be required to submit to a criminal background check.
3. Corporal punishment is prohibited and school volunteers are prohibited from addressing scholar discipline matters independently. As an alternative, the Scholar Code of Conduct disciplinary procedures are to be followed by school personnel or the classroom teacher(s).
4. All volunteers must demonstrate and uphold the school's values.
5. The distribution of literature, without prior approval from the classroom teacher or principal is prohibited.
6. Volunteers must abide by staff instructions and must ask for clarification if necessary.
7. The school is a public school with neutrality towards religion. Volunteers must neither show preference for one religion over another nor try to influence students with religious views.
8. Appropriate dress is required at all times.
9. The consumption of any restricted substances such as tobacco or alcohol are prohibited anywhere on school property, in all indoor facilities and in the presence of students.

## Section 5.

### Safety and Confidentiality

#### 5.1 Emergency Preparedness

##### Evacuation Drills and Other Emergency Procedures

NOTE: This section has been updated to reflect the most current safety protocols and guidelines from the DOE and local authorities for the 2025-2026 school year.

##### Evacuation Drills

An evacuation drill is a very serious exercise that can save the lives of children and adults in the event that a real fire occurs. It is the responsibility of each and every staff member to become familiar with and review fire drill procedures with students and convey the importance of following all procedures.

Some evacuation drills will be announced and most unannounced. After practicing the first few drills everyone must be able to evacuate the building quickly, quietly, and safely.

All rooms must have a fire drill poster displayed. This poster directs you to which exit to use. Please notify a supervisor immediately if any room does not have one.

Teachers must take the “back-up” attendance folder with them. This should always be available near the classroom door. Always close and lock your door.

There are four holding rooms in the building (Rooms 105, 208, 308, and 408) designed especially for students with mobility issues that prevent them from exiting the building safely and quickly. A staff person must accompany and stay with students in the holding rooms. These rooms must remain unlocked during fire drills. All teachers must review fire drill safety rules with their classes during the first week of school.

##### Evacuation Drill Rules:

On the sound of the fire bells...

1. Students are to remain quiet for the duration of the evacuation
2. Immediately stop all activities.
3. During cold weather, students should do their best to retrieve outer garments.
4. Line up swiftly and quietly in the order that has been assigned.
5. Students should watch and listen to the teacher.
6. Students are allowed to talk when they are back in the classroom.

### Shelter-In Drills

A shelter drill is held so students and staff are familiar with the procedures that have to be followed in case of a shoot-out, sniper attack, or any other crisis in which it becomes necessary to stand clear away from any glass encasement or window.

An announcement will be made indicating that a shelter drill is about to commence. The Building Response Team (BRT) will ensure all exit doors are locked. No one will be permitted to enter or leave the school building. Teachers and students will continue with instruction as normal.

### Lock-Down Drills

In the event there is an intruder in the building, follow the Building Response Team (BRT) protocols.

### Code Blue

If a “Code Blue” announcement is made, all available staff members who (1) have current CPR certification and (2) do not have supervisory responsibilities when the announcement is made must report directly to the announced location.

## **5.2 Family Educational Right to Privacy Act (FERPA)**

The school must abide by the Family Educational Right to Privacy Act (FERPA) (20 USC section 1232g). FERPA applies to education records of individual students held by the school. The school has access to personally identifiable education records that are stored confidentially among the DOE student records. The school shall not disclose these records to anyone and upon completion of the student’s tenure at the school they will be destroyed. The school shall comply with all applicable statutes and rules related to FERPA and education records.

## **5.3 Internet Acceptable Use Policy**

Employees and students must follow certain rules about acceptable and prohibited uses of the internet and other systems. These rules are in the [NYC Chancellor’s Regulations](#) Internet Acceptable Use and Safety Policy (IAUSP).

Additionally, the DOE has issued a social media policy to ensure that school and central staff use tools like social networks, blogs, websites, and other online media in a way that protects the privacy and safety of our students and employees.

Students shall not:

- Lend their User ID and passwords to anyone else;

- Interfere with the ability of other users to make effective use of the school's computer resources;
- Use the network for purposes other than what is assigned by a teacher; such as playing games;
- Intentionally damage the system;
- Damage information belonging to someone else;
- Tamper with equipment;
- Access anyone else's password, files or programs;
- Install any applications (computer programs) onto a PS 58X owned device, and
- Communicate with other persons without the express permission and supervision of a PS 58X staff member.

If you have questions, contact the Office of Communications and Media Relations at 212-374-5141.

### **Addendum in 2026-27: Regulations on Student Classroom Technology Use**

As per the NYC Mayor's Office, students in grades 3K, PK, Kindergarten, 1st grade, and 2nd grade are not permitted to use any technology during the school day starting this year. Students will be formally assessed using Acadience screeners in which the facilitating teacher enters the responses that the student dictates.

Students in grades 3, 4, and 5 are permitted to use technology for 30 minutes a day, which we conduct in our What I Need (WIN) periods to provide targeted intervention.

## **5.4 Freedom of Information Policy**

PS 58X is subject to the NYS Freedom of Information Law (FOIL) which allows third parties to request certain information from the school. The school has a FOIL policy which is posted in the office and is followed when information is requested in writing from third parties pursuant to FOIL. According to the policy, the school will respond to the requests within five business days, by making the information available; providing an approximate date for when the information will be available; or denying the request. If a written FOIL request is denied the individual may, within 30 days, make a written appeal to the PS 58X. The school will forward a copy of the appeal and the ultimate determination by the Board to the New York State Department of Education.

Please note that PS 58X will deny access to requested information on grounds including the following:

- such access would constitute an unwarranted invasion of personal privacy,
- such access would violate either state or federal law,
- such records are compiled for law enforcement purposes,
- such records are inter-agency or intra-agency materials which are not statistical or factual tabulation of data, instructions to staff that affect the public, or a final policy.

## **5.5 Anti-Discrimination Policy**

Use the form attached to [Chancellor's Regulation A-830](#) to file a complaint of unlawful discrimination, sexual harassment, or retaliation based upon such complaints. Employees, applicants for employment, parents of

students, students, and others who do business with the DOE, use DOE facilities, or otherwise interact with the DOE can follow this procedure. See the regulation for detailed instructions on how to file a verbal or written complaint.

If you have questions, contact the Office of Equal Opportunity and Diversity Management at 718-935-3320.

## 5.6 Cell Phone Policy

### A. Purpose of This Policy

To ensure a safe, distraction-free learning environment for all students while maintaining a clear communication pathway between home and school. This policy is in accordance with Chancellor's Regulation A-413, which governs the use of cell phones and electronic devices in NYC public schools.

The use of cell phones, computing devices and portable music and entertainment systems at school is subject to the conditions below.

1. Students are not permitted to use or carry cell phones during the school day.
2. Cell phones must be turned off and handed in upon entering the school building.
3. Cell phones will be securely stored by school staff and returned at the end of the school day.
4. Students who use cell phones, computing devices, and/or portable music and entertainment systems in violation of any provision of the DOE's Discipline Code, the school's policy, Chancellor's regulation A-413, and/or the DOE's Internet Acceptable Use and Safety Policy ("IAUSP") will be subject to discipline in accordance with the guidance interventions and disciplinary responses set forth in the Discipline Code.

### Daily Collection & Return Process

#### Arrival:

- Upon entering the building, students will hand their phones to the designated staff member at the entrance. Each phone will be labeled and stored securely in lockers.
- Students will have their name logged digitally with an assigned number.

#### Dismissal:

- At the end of the school day, students retrieve their phones from the designated area before exiting the building.

#### During after-school, school-sponsored programs or activities:

- After-school program SCAN Harbor will adhere to the same cell phone use policy in place during the school day.
- This policy will be in place for all after-school activities and events and all other school-sponsored programs unless otherwise stated by the Principal or her designee.

**Computing devices may be used as set forth below (consistent with Regulation A-413).**

Students may only bring a cell phone to school under the following exceptional circumstances:

1. A documented medical condition that requires cell phone access.
2. An Individualized Education Program (IEP) or 504 Plan that includes provisions for phone use.

**\*\*Note:** Exceptions must be approved by the school principal and documented in writing

If a student violates this policy:

- A verbal reminder will be given and the incident will be documented.
- Repeated violations may result in a parent meeting and disciplinary action in accordance with the NYC DOE Discipline Code.

Students who violate P.S. 58X's Cell Phone Policy will be subject to the following, in accordance with the DOE's Discipline Code:

1. Confiscation of items and return at the end of the school day
2. Confiscation of item and return following parent conference
3. Confiscation of item and return following scholar entering into behavioral contract
4. Revocation of privilege to bring items to school

All guidelines and policies established by PS 58X are in accordance with New York City's Department of Education guidelines, all relevant guidelines with New York State, and the DOE Discipline Code and Internet Acceptable Use and Safety Policy.

**All families must sign a Cell Phone Policy Acknowledgment Form at the beginning of the school year or upon enrollment.**

**Please reach out to:** Mr. Arjune Ramdas, Assistant Principal

## Appendix

### PS 58X Student Family Handbook Acknowledgment and Attestation Page

---

I, the undersigned, acknowledge that I have received a copy of the PS 58X Student and Family Handbook. I understand that it is my responsibility to read and familiarize myself with the contents of the handbook, which includes important information regarding the policies, procedures, and expectations of PS 58X.

I understand that the handbook is intended to provide guidance and information, and I agree to adhere to the policies outlined within it. I also recognize that this handbook may be updated periodically, and it is my responsibility to stay informed about any changes.

By signing below, I confirm that I have received the PS 58X Student and Family Handbook and that I understand my obligations as an employee regarding its contents.
